

MyAccount Login

At Resurrection you can now create an account for keeping personal and household profile information up to date, manage financial giving and commitments, and monitor attendance records. Additional features that support volunteers, event registrations and participation, groups, and newsletter subscriptions will be available later in the year. All features can be accessed from the My Account link in the upper right header of our website home page at <u>https://resurrection.church/</u> or <u>https://cor.org/</u>.

Like most online accounts, the first step is to create your account. For members and frequent visitors, we should have some of your profile information based on your attendance, group or event participation, or giving, so it takes just a few steps to create your account. If you are new to Resurrection, we'll need to get some basic information from you to establish your profile first and then create your account. Either way, the process to login and create your Resurrection account is outlined in the steps below and only requires either your mobile phone number or primary email address to get started.

Several of you have created and been using your new Resurrection account prior to September 29, 2023. We are pleased to let you know that we installed an upgrade that slightly changes your login experience. The upgrade allows you the opportunity to use your mobile phone or primary email to login as outlined below.

Start at the Resurrection website, <u>https://resurrection.church/</u> or <u>https://cor.org/</u>. Click 'My Account' in the upper right of the page.

Enter your **mobile phone number** or primary **email address** and click 'Continue'. The next screen will ask for a six-character code from your text messages or email.

If you use your mobile number, continue to Steps 3 and 4. If you use your email, skip to Steps 5 and 6. You will need access to your mobile phone or email to verify your account.

If you entered your mobile phone number, a text message will be sent to your phone from (913) 914-2149. The message will contain a 6-character code of letters and numbers.

3

Enter the 6-character code in the boxes on the 'My Account Login' page (letters are automatically capitalized when entered) and click 'Complete Sign-In'. Skip steps 5 and 6, and continue with Step 7.
